MEMORANDUM FOR: Deputy Director of Security, PSI

SUBJECT : Review of Office of Security
CIARDS Summaries

The CIARDS applications of the Office of Security employees summarized in the attached folder have been reviewed at length [REDACTED]. They have advised that although there may be some [REDACTED] activity in the summaries that has not been considered previously, the information is far too vague and general to pin point any specific incident. The only way to expand the information and obtain factual data regarding the extent, dates, and authority for the alleged activity would be through a personal interview with these individuals. Since the existing ground rules preclude this, I see no way to pursue the matter further at this time.
